

(Consultant) General Manager/Chef
[TBA] Cafe Startup - Port Orchard, WA
\$22.00 – \$25.00 per hour

Small startup looking for Chef/Kitchen Manger to create menu and to implement all vendors/procedures during build-out and run up to Grand Opening. Menu can be tailored to the strengths of this candidate (for example, if you're a pastry chef, then that can be major thrust of menu...as long as food is top-quality and menu is consistent with overall theme of restaurant).

Will hire this person as full-time, salaried GM/Chef to run the back of house when it opens. Will be paid same rate, hourly, as a 1099-Consultant in the meantime. You should please have at least 6 mo-1yr experience with Restaurant Manager duties and responsibilities. You will hire/fire your assisting kitchen staff, and have input as part of Management team for front-of-house staff, as well.

Restaurant in excellent location, will be open 4p-Midnite most days. Hours will be "second shift" for this candidate. Upbeat, positive approach helpful. Will have opportunities to interact directly, and contribute to, "house party" experience for our customers. Experience in theater or performing a bonus.

Excellent opportunity for young Chef to establish their unique personal brand, or for more experienced Chef to be fully entrepreneurial. Interviews start 2nd week of October.

Job Type: Contract

Salary: \$22.00 to \$25.00 /hour
