The BEST BITE OF SEATTLE is all about competition for WSCA Apprentices, Culinary Schools, Individual Chefs, and Restaurants. It is our annual fundraiser for the Washington State Chef's Association apprenticeship program and is your opportunity to show your talents. The prizes categories are as follows: Apprentice, Judges and People's Choice.

The event is designed for the competitors to showcase a signature dish or a new creation presented in an action station style of one to two bites, hors d'oeuvre size, sweet or savory, hot or cold or both.

The event is at Bell Harbor Conference Center on Pier 66. Their address is 2211 Alaskan Way, Seattle, WA. 98121. We will be in the Waterlink Atrium overlooking the sound and the waterfront.

I want you to remember that people are coming to support you, the apprenticeship and your school or program, so please look and act professionally. Teams do not pay to get in. Only the paying guests get to vote on the People's choice award.

Let us make this a great event as it is all about you.

Thank You All,

Tony Parker CEC, AAC
